

## Pitch

Have you ever been in this Situation? You're a parent and your children constantly beg and beg for a pet "Oh mom, dad can't we have a dog? Pretty please?", but you know ultimately they are not ready for this responsibility and you do not have the time to look after what they neglect? Not to worry anymore, now you can simply buy our newest invention, the fantastic pet robot, Lynx. With this fantastic little companion your worries will melt away, you do not have to feed it or take it outside but your children will still have unlimited fun and a companion to enjoy their time with. It can drive around obstacles, it can sense when it's being moved and best of all it will listen to all your commands and even show emotion with it's cute little face. Join us now, invest in the robot toy revolution and get your very own companion for life.
